

# Bobbi's "Just Right" Bag ~ Class Supply List

Please bring all supplies listed below.

There's no need to pre-cut fabrics for the class, however ...

→ Batting should be pre-cut as listed below. ←

**Fabrics:** Choose two contrasting fabrics. Directional prints work well with this pattern. Or choose bright & bold fabrics, plaids, palsies, novelty prints, oriental's, seasonal prints, etc. Most all fabrics will work for this bag.

Bring extra fabric if you have any doubts about your choice.

**Zippers:** Match the feature or contrasting fabric OR go with a bold or complimentary color that will add pazazz to your bag!
