

Molly's "Just Right" Bag - Class Supply List

Please bring all supplies listed below.

Fabrics: Choose two contrasting fabrics. Choose bright & bold fabrics, palsies, novelty prints, oriental's, seasonal prints, etc. NOTE: directional prints do NOT work well with this pattern, if you *really* want to use a directional print, you will need 1 yard of the feature fabric. Bring extra fabric if you have any doubts about your choice.

Zippers: you will need TWO zippers, both 10" or longer
(they will be cut to fit, so NO zippers with metal teeth, please)

Match zippers to the feature or contrasting fabric OR go with a bold or complimentary color that will add pazazz to your bag! You may even choose TWO different colored zippers!
