## “Jump Start” for cutting AND making appliqué for “Sunset Lake”

If you have done fusible web appliqué before you may want to get a jump start on the fusing and cutting, HOWEVER, the following directions are *ONLY* if you feel comfortable doing some things on your own.

### 1. Cutting the “B’s” - Backing, Batting, Borders, Binding and Background.

Backing & Batting - Cut *each* 28”w x 33”h, set aside.

Borders – *Inside Borders* – cut 3 strips, 1-1/8” by WOF (width of fabric)

*Outside Borders* – cut 4 strips, 3-1/4” by WOF

Binding – Cut 3 strips – 1 1/2” x WOF (*this is for single fold binding*)

Background fabrics –

Cut Sky – 10 1/2”w x 6 1/2”h

Cut Dark Green – 8”w x 6 1/2”h

Sew dark green & sky as shown here.

Cut Water – 18”w x 13”h

Cut porch floor – 18”w x 4 1/2”h

Sew all sections together as shown here.

\* Place ALL the “B’s” in one large zip top baggie.

### 2. Trace OR photocopy all the appliqué patterns from pages 3 thru 8, onto the paper side of fusible web sheets. Use either a light fusible web for tracing – OR – Use “printable” fusible web sheets with your inkjet printer.

☛ **Do NOT trace or photocopy pages 9, 10, and 11.**  
**They are the placement guides, not patterns!**

### 3. Fabrics – use unwashed fabrics (OR washed fabrics, but do NOT add fabric softener). TIP: Batiks are *always* best for raw edge fusible web appliqué!

### 4. Cut your fabric to the size listed on each section of the appliqué pages.

5. Fusing – lay fabric, ☛ **RIGHT SIDE DOWN** ☛ on ironing pad.  
Lay your printed (or traced) fusible web sheet, sticky side down over fabric.  
The paper side that you traced or photocopied will be facing up.

### 6. With a hot iron (wool or cotton setting), PRESS the fusible web sheets to the fabrics - do NOT slide the iron around, instead “lift and press”.

### 7. Lay out seven zip top baggies and label them; “AC”, “B”, “S”, “C”, “G”, “Q” & “Misc”.

### 8. After fusing all the appliqué sheet sections to your fabrics, cut out the patterns on the traced lines. TIP: for tiny pieces, just cut a quarter inch margin all around shape, you’ll cut them out completely in class!

☛ Do NOT peel the paper from the appliqué pieces.

9. As you cut out the pieces, place them in baggies according to their part number.  
Example, all “AC” pieces in the “AC” baggie, and all “B” pieces in the “B” baggie, etc., etc.  
Pieces without a part number should go into the Misc. baggie.

10. Be sure to bring all your baggies to class, AND any leftover fabric.  
(You never know if you might need a bit more. ☺)

See you Soon!
