

Julie's "Just Right" Bag - Class Supply List

Please bring all supplies listed below.

Fabrics should be washed and dried.

There's no need to pre-cut fabrics for the class, however ...

→ Batting should be pre-cut as listed below. ←

Fabrics: Choose two fabrics – one feature and one coordinating.

Bright & bold fabrics, plaids, palsies, novelty prints, oriental's, seasonal prints, etc. Most all fabrics will work for this bag.

Bring extra fabric if you have any doubts about your choice. (OR the length of the strap!)

Zipper: Match the feature or coordinating fabric OR go with a bold or complimentary color that will add pazazz to your bag!
