“Jump Start” for cutting AND making appliqué for “Sweet Season Cardinals”

If you have done fusible web appliqué before you may want to get a jump start on fusing and cutting, HOWEVER, the following directions are *ONLY* if you feel comfortable doing some things on your own.

1. Cutting the “B’s” - Backing, Batting, Borders, Binding and Background.

Backing & Batting - Cut *each* 18”w x 21”h.

Borders – *Inside Borders* – cut 4 strips, 1” by 21”

Outside Borders – cut 2 strips, 2-1/2” by WOF

Binding – Cut 2 strips – 1 1/2” x WOF (*this is for single fold binding*)

Background fabric (Sky) Cut -11”w by 14”h

* Place ALL the “B’s” in one large ziptop baggie.

2. If you purchased a kit with pre—printed fusible web sheets, skip this step!

Trace OR photocopy all the appliqué patterns from pages 2, 3, & 4, onto the paper side of fusible web sheets. Use either a light fusible web for tracing – OR – Use “printable” fusible web sheets with your inkjet printer. • Do NOT trace or photocopy page 5.

That page is a placement guide, and not appliqué patterns!

3. Fabrics – use unwashed fabrics (OR washed fabrics, but do NOT add fabric softener).

TIP: Batiks are *always* best for raw edge fusible web appliqué!

4. Cut your fabric to the size listed on each section of the appliqué pages.

5. Fusing – lay fabric, • RIGHT SIDE DOWN • on ironing pad.

Lay your printed (or traced) fusible web sheet, sticky side down over fabric.

The paper side that you traced or photocopied will be facing up.

6. With a hot iron (wool or cotton setting), PRESS the fusible web sheets to the wrong side of the fabrics – don’t slide the iron around, instead “lift and press”.

Fusing takes approx 6 to 8 seconds – be careful not to over-fuse!

NOTE: some fusible webs do NOT need heat at this time, just hand pressing.

Please read the directions included with your fusible web!

7. After fusing all the appliqué sheet sections to your fabrics, cut out the patterns on the traced lines.

TIP: for tiny pieces, just cut a quarter inch margin all around shape, you’ll cut them out completely in class!

• Do NOT peel the paper from the appliqué pieces.

8. As you cut out the pieces, place them in baggies according to their part number.

Example, all “CH” shapes in the “CH” baggie, and all “B” pieces in the “B” baggie, etc., etc.

Pieces without a part number should go into the Misc. baggie.

9. Be sure to bring all your baggies to class, AND any leftover fabric

(You never know if you might need a bit more 😊)
